CPSC Orange Ball Improver Orientation

Welcome to Orange Ball Lessons at Centennial Parklands Sports Centre

Your child is taking the next steps toward refining their skills as a tennis player!

Where are the Centennial Parklands Sports Centre tennis courts?

Our 11 tennis courts (9 synthetic grass, 2 hardcourt) are located across the road from The Entertainment Quarter. Programs are usually held on Courts 1 to 4.

What to bring...

A tennis racquet for your child and a water bottle! Depending on your child's size, they may need a racquet anywhere from 21 to 25 inches. If you are unsure, please ask our coaches. Racquets are also available for loan from our Tennis Kiosk. Ask your child to wear comfortable athletic gear and tennis shoes.

What your child can expect...

A progression of our Orange Ball Intro class, these sessions focus on refining technique while introducing young players to point-play scenarios. The focus shifts to movement, mini-rallies, and competitive situations. Orange Ball Improver players can maintain a coach-guided rally for ~8+ shots. Players at this level are also more comfortable executing forehands, backhands, volleys, and the serve. For children aged 7–9.

By the end of this term...

Your child should be further refining co-ordination skills and technical knowledge as a player. The more they practise, the quicker they will improve! We encourage them to practise outside of lessons with friends and family.

What if it's raining?

You will receive an SMS from the CPSC team if your child's lesson has been cancelled at least an hour before its scheduled start time. For this reason, please ensure that your mobile phone number is entered correctly on your user profile. If you do not hear from us, assume that the lesson is on.
